Aetna VisionSM Preferred plan

Eye care coverage with you in mind

Better vision, better health

Your vision insurance plan is good for your overall health. Routine eye exams can spot vision problems like glaucoma. Exams can also detect signs of health conditions like high blood pressure and diabetes — even before symptoms appear.

Aetna Vision Preferred provides coverage* for:

- Routine eye exams, including dilation
- One pair of eyeglasses (lenses and frame) or contact lenses
- Prescription sunglasses

After enrolling, you'll get a welcome packet in the mail. Inside will be your member ID card, insurance plan information and a list of local vision providers.

A choice of many locations

With Aetna, you'll have a huge selection of neighborhood retail locations, as well as national ones like:

Digital tools

You can search for providers, manage your benefits and view your ID card on our mobile app or by visiting aetnavision.com. Search providers by name, location or even by the brand name of the frames you want.

Freedom to use any provider

You can also visit any licensed eye care provider outside the network. Keep in mind that you may pay more out of pocket and may have to file your own claims.

Shop online

Shop for contacts or glasses online with retailers in our network. Your vision benefits will automatically apply when you check out.
